

# Turn safety into savings with ACC Fleet Saver

ACC Fleet Saver accreditation will reduce your vehicle licensing costs, on top of any other levy reductions from the other programmes you may be in. As an ACC Fleet Saver member, your levy reductions will automatically be applied to your annual NZ Transport Agency motor vehicle licence renewal invoice, for each qualifying vehicle in your fleet.

## ACC FLEET SAVER REDUCTIONS – PETROL POWERED VEHICLES

Accreditation level	Reduction in ACC levy	2017/2018 levy rates	Approx. annual savings per vehicle
Non ACC Fleet Saver member	0%	\$196.41	\$0
