

"When you apply to join the ACC Fleet Saver programme, you will be asked to agree to the following privacy commitment."

Privacy Statement

I agree to information collected by the Accident Compensation Corporation being used for the following purposes:

- Administration of my organisation's application to join the ACC Fleet Saver programme, and
- The on-going administration of my organisation's ACC Fleet Saver programme membership.

I understand that this information will be held securely on behalf of the Accident Compensation Corporation by Salesforce.com [Salesforce.com, Suite 300, San Francisco, CA 94105, USA] and that neither party will disclose it to any person except for the purposes described above, or as authorised by myself or my organisation, or by law. I understand this information will continue to be held until such time as it is no longer administratively required, in accordance with retention and disposal policies agreed with New Zealand's Chief Archivist. I understand that Salesforce.com will store this information in their data stores in Tokyo, Japan and the United States.

If the Accident Compensation Corporation discovers that you **or** your organisations' data has been lost or compromised, you will be notified as soon as practicable.
